**Step 1.**  
Fix the ceiling strap central to the final position of the light. Ensure the mains cable from the ceiling passes through the middle of the strap for easier connecting.

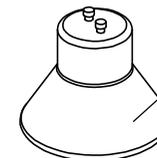

**Step 3.**  
Offer the ceiling rose up to the ceiling strap and make the mains connection, then cover the ceiling rose over the strap and fix with the supplied fixing screws.

**Step 2.**  
Pass the cable through the suspension rod and secure the rod to the domed shade by screwing the two parts together.
